

## Year 6 Transition Bulletin

*(Week 10 – week beginning 28<sup>th</sup> June 2021)*

Good afternoon year 6,

A few updates for you all:

**Uniform:** I am pleased to hear from our uniform supplier that many of you have made contact to start arranging try-ons and orders ready for September. I suggest you do get this organised as soon as possible to ensure you receive your bundle in good time. There is no confirmation regarding any change to the Academy uniform but please do not worry. At this stage, it's vital we get you measured up and everything ordered.

**Academy name:** I still have no update to give you regarding this. As soon as I know more, I will be sure to tell you all.

**Questionnaire:** I have emailed the link below to your parents/carers/guardians asking them for any questions you, or the family may still have regarding transition. Please take time to think about, and include, any questions you may still have. I will then endeavour to record a video response to them all in the next week or so. It is vitally important that despite not having a transition evening, you still have the opportunity to ask me anything you need the answers to. **The deadline for submitting these is Friday (2<sup>nd</sup> July) at 3pm.**

**Q&A Evening:** Following the video I will post (mentioned above), I also intend to make myself available for a live Q&A session (date and invite to follow). This will provide the whole family with another opportunity to ask any further questions you may still have. Once again, I am trying to do everything I can to help prepare you all for transition, despite the difficult circumstances we currently find ourselves in.

Have another great week, keep working hard!

Mr. Faulkner

Assistant Headteacher and Transition Leader
